

Fellow M6 Lions,

As many of you know, PDG Gordon Wellman had created our District Directory for many years. This July we lost PDG Gordon and we miss him greatly throughout the district. We were unable to obtain usable information on the work he had done thus far for this year's Directory, so we saw this as an opportunity to reformat the publication since we had to start from scratch. I assisted DG Toni Morris with this task in an effort to have it ready for our 1<sup>st</sup> District Cabinet meeting on August 24. We now have a new appreciation for PDG Gordon and his many years of work with the District Directory!

Our vision was to streamline the directory in an effort to reduce the cost of printing, while maintaining useful information content; expanding some areas of information while deleting others. The content that was deleted from the printed copy will be available online (on the district website in a 'member's only' area) or you may request a printed copy from DG Toni Morris. This information includes a listing of Melvin Jones Fellow, Progressive Melvin Jones Fellows and Past District Governors.

We tried our very best to minimize information errors in this year's directory, but unfortunately, I'm not sure that it is ever really possible to be 100% correct. It is imperative that the information you submit to LCI via your PU101 is accurate, as that is the source of most of our information. First of all, your PU101 must be submitted. Otherwise, we have old, incorrect information to publish in the directory. I know many of you received phone calls from DG Toni this year in an effort to collect correct information. Thank you for supplying that information so you can be contacted when necessary.

In spite of all our efforts, some information published is incorrect. I have included a list of corrections below for your reference. I recommend making a note by the directory listings as a reminder. Please add this page to your directory if you received one already by printing it and stapling it together. If your directory is included with this letter, just staple it together.

Together In Service,

Lion Phyllis Krebs 2VDG 26M6

Zone 1-pg 12  
Should include Sarcoxie in list of clubs  
Zone 6-pg13  
Halfway is now in Zone 6 instead of  
Marshfield

Norma Stone-pg34  
President/Branson-Hollister  
Corrected Phone 417-230-2510

PDG James Rosburgh-  
*Listings include:*
