FOR E-SIGHT GLASSES

eSight

June 27, 2019 ~ 5:00 to 9:00 pm

703 N. McCroskey (Suite 1 Bldg A.)

Nixa, MO

Jennifer is a Wife, Mother and proud Leader Dog “mom” diagnosed with retinitis pigmentosa with a moderate hearing loss. Working full-time, juggling work, family, serving on the Nixa Education Foundation Board, and most recently becoming a Lion, she has found that eSight glasses help her with her vision loss. A demo of the glasses this past Spring gave her the chance to see with great detail, color, clarity her Son, Husband, and Leader Dog, Caesar, that she has not had in many years.

Please help Christian County Lions Club raise the funds to purchase these glasses by Tipping generously today!
