

Environmental Photo Contest

The Lions Environmental Photo Contest provides a way for Lions to portray, through an original photo, their pride and commitment to improving, protecting and preserving the environment. Every Lion from a club in good standing can enter a photograph of his or her immediate surroundings into the club-level Lions Environmental Photo Contest.

Entry Guidelines

This year's Lions Environmental Photo Contest includes the following five categories:

- Animal life
- Plant life
- Urban or natural landscape
- Weather phenomenon
- **Special theme:** Dignity, harmony, humanity
Celebrating the peaceful coexistence of species

The contest begins at the club level and winning photographs will advance to the district, multiple district, and international competitions. Lions can submit only one photograph of their environment. If the submitted photograph meets all of the criteria, it will be displayed at the Lions international convention where registered attendees will vote for their favorite in each category, as well as their overall favorite photograph. The six photos will appear [on the Contest Winners page](#) and the Lions photographers will receive an award.
